Homeschool Credit Hour Tracker

Maple Grove Homeschool Academy

Student: Noah James Bennett | 12th grade | 2026–27 | 1 credit = 150 hours · 0.5 credit = 75 hours

Course	Credit	Sep	Oct	Nov	Dec	Jan	Feb	Mar	Apr	May	Total hrs	Hrs to go
English 12: British Literature	1	16	18								34	116
Pre-Calculus	1	17	19								36	114
Environmental Science	1	15	17								32	118
Computer Science	1	14	16								30	120
Psychology (dual enrollment)	1	12	15								27	123
Health	0.5	8	9								17	58
Total	**5.5**	**82**	**94**								**176**	**649**

How to use it: log the hours for each course at the end of every month, including reading, labs, writing, projects and online lessons. When a course reaches its target hours and the work is complete, record the final grade on the transcript.

Running total toward graduation: 16.0 credits earned (9th–11th grade) + 5.5 in progress = 21.5 credits.
